ORTHOPAEDIC
WORLD
CONGRESS

INDUSTRY PROSPECTUS

2026

29 SEPTEMBER – 1 OCTOBER

A Bridge to
the Future

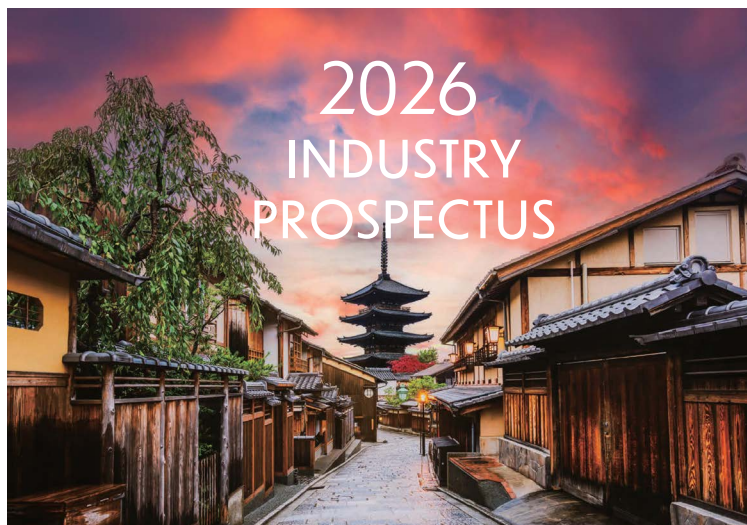

WELCOME TO KYOTO, JAPAN!

46TH SICOT ORTHOPAEDIC WORLD CONGRESS

29 SEPTEMBER – 1 OCTOBER

A Bridge to
the Future

Dear Colleagues, Friends, and Distinguished Guests,

On behalf of the Organizing Committee and our international partners, it is my great honor and privilege to welcome you to the **Orthopaedic World Congress 2026**, to be held in the beautiful and historic city of **Kyoto, Japan**, from 29 September to 1 October, 2026

Our theme, “**A Bridge to the Future**,” captures the spirit of this moment in orthopaedic science and practice. We stand at the intersection of tradition and innovation, where timeless surgical principles meet transformative technologies—from robotics and regenerative medicine to AI-driven diagnostics and personalized care. This Congress will serve as a platform to connect generations of orthopaedic professionals, cross-pollinate ideas across disciplines, and build meaningful collaborations that transcend borders.

Kyoto, with its rich cultural legacy and serene landscapes, provides the perfect setting to reflect on our shared past and envision the road ahead. From its ancient temples to its cutting-edge research institutions, the city symbolizes the harmonious blending of history and progress—much like our field today.

The Congress will feature a robust scientific program including keynote lectures by global thought leaders, interactive symposia, hands-on workshops, and networking events designed to foster dialogue, discovery, and development. Whether you are a seasoned expert or an emerging voice in orthopaedics, your presence and participation will enrich the conversation and contribute to a collective vision for the future.

I warmly invite you to join us in Kyoto in 2026. Together, let us build **a bridge to the future**—one that supports innovation, inclusivity, and improved musculoskeletal health for all.

With my very best wishes,

Sincerely,

Vikas Khanduja MA (Cantab), MB BS, MSc, FRCS (Orth), PhD.

Orthopaedic World Congress, Kyoto, Japan 2026

ABOUT SICOT

SICOT ACCREDITATION

The Congress has always been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with a minimum of 22 European CME credits (ECMEC®s)!

The Congress is compliant with the MedTech Europe Code of Ethical Business Practice and Mecomed Code of Ethical Business Practice. Industry has always been an esteemed partner for SICOT. To us,

Industry has always represented endless 'Innovation, Collaboration and Excellence'. Today, Industry has an important role in different facets of Orthopaedic Education and Training and we welcome your participation with us at the SICOT World Congresses, as well, regionally in different parts of the world.

SICOT's annual Orthopaedic World Congress is a truly global gathering of orthopaedists from over 110 member nations and others beside. SICOT, the Société Internationale de Chirurgie Orthopédique et de Traumatologie, is an international non-profit association. SICOT's mission is to promote the advancement of the science and art of orthopaedics and traumatology at an international level, in particular for the improvement of patient care, and to foster and develop teaching, research and education. It maintains the philosophy that orthopaedic education should be available, accessible and appropriate for surgeons no matter their background, culture or resources. SICOT is setting world standards of surgical competence - knowledge plus clinical skills - by offering an annual Diploma Examination comparable to those of exemplary institutions in highly developed countries.

SICOT CODE OF ETHICS

The object of this non-profit organization is to promote the advancement of the science and art of orthopedics and traumatology at international level in particular for the improvement of patient care; to foster and develop teaching, research and education; to facilitate and encourage exchange of professional experience and to promote good fellowship among its members.

FREE PAPER SESSIONS

JUST-A-MINUTE
COFFEE BREAKS

E-POSTER EXHIBITION

This is the chance for surgeons from every level of institution and orthopaedic specialty to present their research and discuss evaluations and outcomes with their friends, peers and superiors.

SICOT DIPLOMA EXAM

EDUCATIONAL DAY

The ever-present and highly regarded pre-Congress events are one of the biggest draws to the meeting for trainees.

PARTNER SOCIETY SESSIONS

INSTRUCTIONAL SESSIONS WITH KEY OPINION LEADERS

PLENARY SPEAKERS

As always, our Programme Team will be collaborating with and inviting the very best surgical societies and surgeon to join us to share their experiences and expertise.

PROGRAMME OF INNOVATIVE ORTHOPAEDIC NETWORKING, E-LEARNING, EDUCATION & RESEARCH

INNOVATION COLLABORATION EXCELLENCE

NEW Industry & SICOT Leadership Summit

Industry has long been a valued partner for SICOT, embodying the pillars of Innovation, Collaboration, and Excellence. Today, the role of Industry is more crucial than ever in advancing Orthopaedic Education and Training across the globe. We warmly invite your continued involvement, whether at our prestigious SICOT World Congresses or through regional events in various parts of the world. Together, we can shape the future of orthopaedics.

4000

ATTENDEES EXPECTED

BOOTH RENTAL
